

2011 NEW PRODUCTS

- A The Slappy Jig** Its low profile allows anglers to bounce the jig off the bottom in shallow waters. Perfect for casting towards shore from a boat or kayak and bouncing off rocky bottoms.
- B Barbarian Swimbait & Barbarian Jig Head:** Designed around VMCs barbarian jig hook, the heavy duty head gets the job done. Our jig head version will come with powder coated head. 4" shank
- C Mini Darter Heads** The biggest thing to happen to our successful Darter Head series. A little head with big punch! Designed to interface with small soft baits, 3x strong short shank hook gets the job done. Keeper design maximizes soft bait action! 3/80Z, 1/20Z, 3/40Z
- D 4" Jiggin & 4" Skinny Hogy®**
These pint-sized versions were designed to imitate small forage. Perfect fit with the mini darter.
- E Deep Troll Swimming Tin** Same deadly wobble as our lighter swimming tins but geared for trolling. 60Z, 80Z
- F Big Big Jig™** When we say pint-sized here, we really mean 1 pound! Get deep.
